All races with a net value of \$2,500. or less to the winners will not be considered for determining eligibility or allowances at Assiniboia Downs.

However, at the maiden level, a win for any amount of purse money will be considered a win and will count against the horses eligibility to compete in a maiden race. It must be noted though, that while the horse may no longer be considered a maiden, if the purse money earned for the maiden win is a net value of \$2,500 or less, the money earned will not count against the eligibility of the horse when competing against non-winners of two or three lifetime condition levels. Net purse money listed on the back of the official Jockey Club registration papers will be used in this determination. No currency conversion will be made.

* Races won for a lessor claiming price not considered for eligibility

Note: In the first condition book, 3-year-old maiden allowance races will remain restricted to 3-year-olds if there are a minimum of 5 entries, from 3 separate trainers, by 9:30 a.m. Otherwise, the race will become 3-year-olds & upward at 9:30 a.m. All maiden races will be written as 3-year-olds & upward following the completion of the first condition book.

* The Race Office will provide flexibility as it relates to writing new, or modifying existing conditions, to suit the horse supply on the grounds.

All restricted Manitoba, Sask. N. Dakota & S. Dakota bred races will not be considered for determining eligibility or allowances at ASD. However, at the maiden level, a win in any race for any amount of money will be considered a win and will count against the horse's eligibility to compete in a maiden race. While a horse may no longer be considered a maiden due to winning a Manitoba, Sask. N. Dakota & S. Dakota bred restricted race, this win will not count against the eligibility of the horse when competing against non-winners of two or three lifetime or non-winners in the year condition (except in the case of restricted Manitoba, Sask. N. Dakota & S. Dakota bred races.)
