# 2024 GRADED PURSE SCHEDULE

<u>2-YEAR-OLDS</u>	<u>CLASS</u>	<u>PURSE</u>
Maidens	Allowance	<b>\$20,000</b>
	\$15,000	<b>\$16,000</b>
	\$7,500	<b>\$11,500</b>
<u>3-YEAR-OLDS</u>	<u>CLASS</u>	<u>PURSE</u>
Maidens	Allowance	<b>\$20,000</b>
Open	\$10,000	<b>\$16,500</b>
	\$5,000	<b>\$13,200</b>
Non-winners OTMC, restricted or starter or non-winners of three races lifetime or Claiming Price \$15,000.	Allow/Optional Clm	<b>\$16,500</b>

All races with a net value of \$3,000. or less to the winners will not be considered for determining eligibility or allowances at Assiniboia Downs.

However, at the maiden level, a win for any amount of purse money will be considered a win and will count against the horses eligibility to compete in a maiden race. It must be noted though, that while the horse may no longer be considered a maiden, if the purse money earned for the maiden win is a net value of \$3,000 of less, the money earned will not count against the eligibility of the horse when competing against non-winners of two or three lifetime condition levels. Net purse money listed on the back of the official Jockey Club registration papers will be used in this determination. No currency conversion will be made.

\* Races won for a lessor claiming price not considered for eligibility

Note: All maiden races will be written as 3-year-olds & upward following the completion of the first condition book.

\* The Race Office will provide flexibility as it relates to writing new, or modifying existing conditions, to suit the horse supply on the grounds.

All restricted Manitoba, Sask. N. Dakota & S. Dakota bred races will not be considered for determining eligibility or allowances at ASD. However, at the maiden level, a win in any race for any amount of money will be considered a win and will count against the horse's eligibility to compete in a maiden race. While a horse may no longer be considered a maiden due to winning a Manitoba, Sask. N. Dakota & S. Dakota bred restricted race, this win will not count against the eligibility of the horse when competing against non-winners of two or three lifetime or non-winners in the year condition (except in the case of restricted Manitoba, Sask. N. Dakota & S. Dakota bred races.)

# GENERAL INFORMATION

**RACE OFFICE HOURS:** Entries open at 8:00 a.m. - \* Close at 11:00 a.m. (\*subject to change at discretion of race office)

**FOAL CERTIFICATE DATE:** Anytime on or before Thursday, May 16, 2024 horses will have equal dates when papers are turned into the office. They all will receive a run date of 2024/05/16 After this date, the day you hand your papers in is the run date you will receive. **A horse keeps his opening day date until he races or is scratched. Coggins papers must accompany registration papers.**

**ENTRY DATE:** All horses which do not get to run but enter, receive an entry date corresponding to the date on which they are entered. An entry date receives preference over a run date of the same day.

**SUPER DATE:** Where track or weather conditions or unforeseen circumstances may not be in the best interest of racing and a cancellation of a scheduled race occurs, all horses that were drawn into that race and part of the race day program will receive a "super date" for entry purposes which will grant them preference above all other entries into their next chosen entry for a race. This preference will conclude once the horse has been drawn into a race that forms part of a live race card.

**SCRATCHES AND NAMING OF JOCKEYS:** No scratch time. Enter to run. At draw time there will be no open horses. A trainer must name at least two jockeys at time of entry.

**LISTS:** Any horse put on a list ie. Vet, Starter, Stewards or Paddock Judges, will receive "NO" date when they come off any of these lists.

**PURSE DISTRIBUTION:** 1st - 60%    2nd - 20%    3rd - 10%    4th - 5%    5th - 3%  
6th through last - \$250.00

**MANITOBA LASIX PROGRAM:** The use of Lasix must be declared at time of entry and noted on the entry form.

**ELIMINATION OF "COUPLED ENTRY" RULE:** Please note that the rule classifying horses as a "coupled entry" has been eliminated. All horses owned or trained by the same person will run as "uncoupled" for wagering purposes only.

## IMPORTANT NOTES

- ◀ The Race Secretary has the right to refuse any entry that is, in his opinion, incapable of a respectable performance.
- ◀ Wins not recorded on the back of the official Jockey Club registration papers will not be considered for determining eligibility or allowances.
- ◀ With regard to Rule 1 (gg) a recognized track means a track on which a charted line is available from either the Daily Racing Form or True Form.
- ◀ **All races with a net value of \$3,000** or less to the winners will not be considered for determining eligibility or allowances at Assiniboia Downs. However, at the maiden level, a win for any amount of purse money will be considered a win and will count against the horses eligibility to compete in a maiden race. It must be noted though, that while the horse may no longer be considered a maiden, if the purse money earned for the maiden win is a net value of \$3,000 or less, the money earned will not count against the eligibility of the horse when competing against non-winners of two or three lifetime condition levels. Net purse money listed on the back of the official Jockey Club registration papers will be used in this determination. No currency conversion will be made.
- ◀ Coggins papers must accompany registration papers. All horses on the grounds (including ponies) must have a negative coggins on file in the race office by April 20, 2024. **NO EXCEPTIONS.**
- ◀ No Horse will receive a timed, registered workout unless registration papers are in the Race Office or the digital identification of the horse has been activated in the computer system.
- ◀ All races not designated as fillies & mares, will be colts & geldings preferred.
- ◀ In all overnight races excluding maiden races, winners will be preferred unless otherwise stated in the condition of the race.
- ◀ Only Thoroughbreds of racing age and working pony horses are allowed on the grounds.
- ◀ When entering horses Owners and Trainers are cautioned to check carefully as to the eligibility of horses in their care and allowances claimed in races. Under the universal rules of racing, an owner or trainer is responsible for the weight his horse carries. The Racing Secretary will be glad to give the horsemen any information in respect to their horses that is desired, but the final responsibility rests with the owners and trainers.
- ◀ This race meet is being conducted with the approval of the LGCA, and the Rules of Racing of the LGCA apply to the conduct of all races and the Association conducting this meet has been licensed by the LGCA.
- ◀ The Canadian Pari-Mutuel Agency (CPMA) has implemented testing for the following veterinary approved anabolic steroids: boldenone, nandrolone, stanozolol and testosterone, as of June 1st, 2009.

# WAIVER CLAIMING

At the time of entry into a claiming race, the owner may opt to declare a horse ineligible to be claimed provided:

1. The horse has been laid off and has not started since November 23, 2023 and the horse is entered for a claiming price equal to or greater than the claiming price of the race in which it last started. This horse is allowed to be ineligible to be claimed for two consecutive starts. The first start must be made before the completion of the first condition book and the second start must be made before the completion of the second condition book.
2. The horse has been laid off and has not started since February 21, 2024 and the horse is entered for a claiming price equal to or greater than the claiming price of the last race in which it last started. This horse is allowed to be ineligible to be claimed for one start. This start must be made before the completion of the first condition book.
3. Failing to declare a horse ineligible to be claimed will result in the horse automatically being available to be claimed.
4. A 3-year-old who had it's last start in the previous year at Assiniboia Downs for a claiming price of \$7,500 or \$9,375 - they are eligible to run for a waiver protected level of maiden claiming \$5,000 or claiming \$5,000 non-winners two lifetime.
5. Fillies/mares running against colts/geldings and MB-breds running in an open bred race, the premium claiming price attached will not be considered. As noted in points 1 & 2 above, the claiming price of the race in which it last started will be deemed the official waiver claiming price.

As an example, a filly/mare or MB-breds running for 25% more in a \$5,000 claiming race will be running for \$6,250, however the waiver claiming they are eligible for is the \$5,000 original claiming.

## ATTENTION HORSEMEN

### **There has been a very important change legislated that affects the Manitoba Horse Racing Industry**

The Worker's Compensation Board of Manitoba has provided written notice that the Manitoba Horse Racing Industry has been legislated as a Mandatory Coverage Industry. This coverage is more extensive than the coverage the HBPA was previously able to provide to the Horsemen.

Who must be covered to work on the Backstretch of ASD?

All trainers, assistant trainers, grooms, exercise riders, pony riders, farriers, feed suppliers, and tradesmen just have WCB coverage under one of two scenarios 1) they are an employee and therefore covered under their employer's WCB account or 2) they are self-employed; for example (but not limited to): trainers, farriers

Please note the WCB has their own definition of employed: If you are in a mandatory industry, everyone who works for your business is considered a worker and is entitled to workers compensation coverage regardless of the number of hours they work (full time, part time or casual), the structure of their pay (salaried, hourly, commission, piece work, and even if they work for room and board), the nature of their work, the location (at the track, in Manitoba or traveling outside Manitoba). If a groom ships to Edmonton to run a horse for a trainer he works for in Manitoba, he will be covered. If an exercise rider goes to a farm to gallop a horse for a trainer, he will be covered.

Although self-employed trainers are required by law to provide WCB coverage for their employees, they themselves are not covered unless they choose to buy WCB coverage. However, the Manitoba Horse Racing Commission may rule to make coverage mandatory. We will keep you posted. Owners are not workers. They are not receiving payment; monetary or in kind, for work performed. There is no coverage for owners from Worker's Compensation.

To register your business, information on coverage, rates, classifications and payroll reporting call Assessment Services 204-954-4505 or toll free 1-855-954-4321, ext 4505 or you can register online at [www.wcb.mb.ca](http://www.wcb.mb.ca)

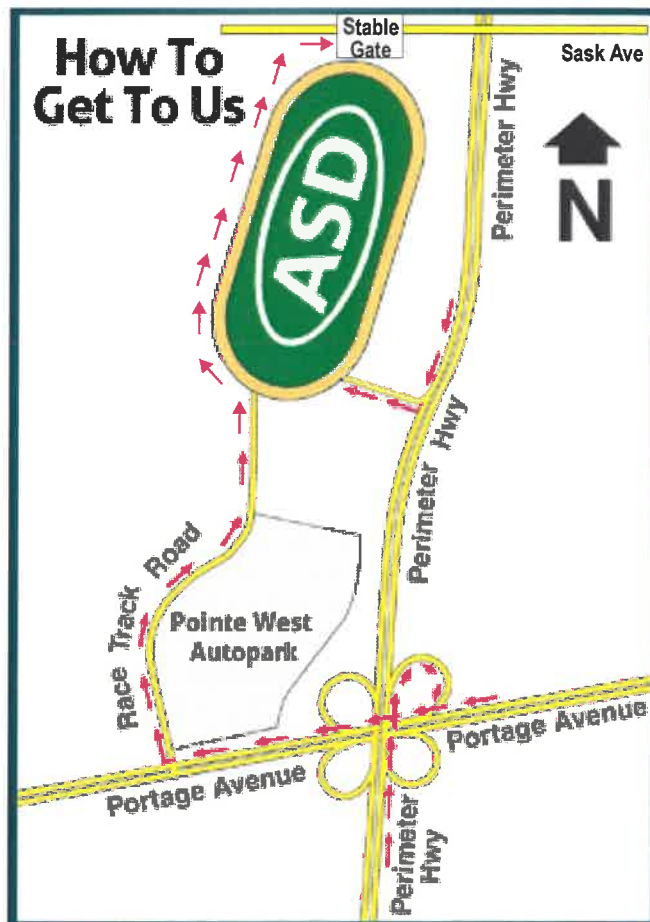

## WORKOUT RULE 2024

No horse shall be entered unless:

- a) it is racing for the first time, it has two workouts, one workout shall not be less than 4 furlongs and one not less than 3 furlongs, in the presence of and as required by an official clocker and the results filed with the association and included in the official program, if available at the time of printing. First lifetime starters must have gate approval prior to the race in which it is entered.
- b) it has either started or has had one workout of not less than 3 furlongs during the preceding 30 days in the presence of and as required by the official clocker and the results filed with the association
